**Why Dasan Chose  
Central Michigan  
University:**

*I chose Central Michigan for many reasons. One of the reasons is its close proximity to home which is very important to me. CMU also has a small campus feel to make it easy to navigate and get involved.*

*The Exercise Science program at CMU will offer me a quality education and degree while also having a high graduation success rate for its students.*

*As a football program, CMU is a team that is always in contention for the MAC title. In addition, competing at the NCAA Division I level will give me the most competitive and challenging collegiate football journey. Going to Central has the potential to be a stepping stone to make it to the NFL which is a big dream of mine.*

*I would like to thank the coaches and staff at CMU for giving me this opportunity to make my dreams come true. I can't wait to what the future holds for me at CMU.*
